JOHNNY WINTER FROSTED BY NIXED KEYSNE HYPER

by Robert "Razor" Blades

Blades: Johnny, you're a real combination. You've got the blues, but you're also a real entertainer. Are you happy with the way things turned out for you lately?

Johnny: Well, I'm not too happy. I mean, I've been playing for a long time, but I've never really had the success that I want. I've been around, but I've never really gotten the recognition I deserve.

Blades: I heard you were working with Greg Allen on a new album. Is that true?

Johnny: Yeah, that's true. I'm really excited about that. Greg is a great producer, and I think we're really going to make something great.

Blades: Have you done any of the last night television shows?

Johnny: I'd like to, but I'm not sure if they'll have me. My manager is trying to get me on some shows, but I don't know if they'll have me or not.

Blades: What did you think of your performance at the Playboy Club?

Johnny: Well, I was too drunk. Usually I don't like to play when I'm drunk, because I don't want to embarrass myself. I can sing when I'm drunk, but I can't play.

Blades: What's your next project?

Johnny: I'm thinking about doing an album with Greg Allen. I'm really excited about that. I think we can make something great.

Blades: Why don't you ever talk about your family?

Johnny: I don't like to talk about my family. It's too personal.

Blades: Have you ever thought about writing a book?

Johnny: Yeah, I've thought about that. I've got a lot of stories to tell. I've seen a lot of things, and I think people would be interested in hearing them.

"God's Diary" by J. Price, Millot Books, $2.00.

On the absolute last page of "God's Diary," we are told not only the meaning of the book's title, but helped by the role played by our characters. We have read a much-too-bloody novel, but a diary. The characters are not just talking heads. The book is a powerful, emotional, and compelling look at the human condition.

"God's Diary" is not a novel about God. It is a novel about people. People who are struggling to find meaning in their lives. People who are trying to make sense of the world around them. People who are searching for hope and meaning in a world that often seems to be cruel and unjust.

"God's Diary" is a story of love, loss, and redemption. It is a story of hope, even in the darkest of times. It is a story that will stay with you long after you've finished reading it.

"God's Diary" is a book that will challenge you, make you think, and make you feel. It is a book that will stay with you long after you close its pages.
